**This schedule is subject to changes required because of mechanical breakdown or other emergencies. **

RECYCLABLES & GARBAGE CURBSIDE PICK-UP: Recyclables and Garbage will be collected every Wednesday. **Pick-up will be one (1) day late on holiday weeks.** **Recyclables** must be in the bin provided to you and will not need to be separated, only set out when as full as practical. **Garbage** must be bagged in purple or green City of Oconto Falls bags. Please limit the weight of the bag to 40 pounds. Do not mix recyclables with garbage. Incorrectly prepared recyclables or garbage will be tagged or called in by driver. Place bin and bags at curb by 7am on the day of collection, but not before 7pm the night before.

SPRING CLEAN UP: There will be no curbside pickup except for bagged leaves. Residents may bring spring cleanup waste to dumpsters at the Recycling Center from April 14th – 29th during normal recycling hours. (Tuesday & Saturday: 7:00 am – 3:00 pm and Thursday 7:00 am – 11:00 am). **NO CONSTRUCTION OR DEMOLITION WASTE.** Items accepted are: Small pieces of concrete, logs, stumps, stones, furniture, white goods (appliances), tires, car batteries, motor oil & filters, antifreeze, scrap metal & electronics. **Disposal fees apply to certain items and all tires.** Leaves and Grass must be bagged and placed curbside or hauled to the recycling center compost pile during normal recycling center business hours.

BRUSH CHIPPING: Chipping will be April 13, 20 and 28, then every other Monday starting May 4th and **ending Oct. 5th**. Brush is to be placed at street side with "butts" facing the street. Brush piled with "butts" in mixed directions **will not** be picked up. The City will provide the first 15 minutes of chipping at no charge. **After 15 minutes, the city will charge \$1 per minute for all chipping.**

LEAF PICK-UP: Scheduled in the fall for five (5) weeks starting the week of October 12th and ending November 13th. Leaves must be raked on the terrace, **not in the gutter.** Leaf piles must be free of sticks and yard waste. Keep pet waste out of leaf piles. Residents can also haul leaves to the compost pile behind the recycling center during recycling center business hours. **Depending on weather conditions, leaf pick-up may be extended.**

RECYCLING CENTER: The following items are not collected curbside, but may be recycled at the drop-off center located in the northeast corner of the City at the end of Pioneer Drive 0.3 miles north of East Highland Drive off Chestnut Avenue on Tuesday and Saturday from 7:00 am - 3:00 pm and Thursday from 7:00 am - 11:00 am: white goods (appliances), tires, car batteries, motor oil & filters, antifreeze, scrap metal & electronics. Disposal fees apply to certain items and all tires.

Please donate your reusable material at the New Beginnings Store, 230 VanBuren Street, Oconto Falls (call 920-846-0349 to confirm your items are acceptable) or at the nearest donation center located throughout Northeast WI. (Goodwill Industries, St. Vincent/DePaul, USAgain)

Purchase a Compost Bin for \$35 and create your own garden compost.

Composting is the natural decomposition of organic matter. Over one half of your household garbage is organic!

Mercury Thermostats are accepted free of charge at the Oconto County MRF. Broken thermostats are not accepted. Only wall mount thermostats with glass tube mercury switches are accepted. Please recycle the entire thermostat. For information on handling spills and cleanup search the EPA website www.epa.gov/hq/

Recycling Oil Filters, Absorbents & Antifreeze: Used engine oil filters, oil absorbent materials, except absorbent materials with no free flowing oils or hazardous materials are banned from landfills. **Antifreeze or Ethylene Glycol** is a poisonous substance that can be harmful to humans, animals and the environment. The drop off center is provided with a container for recycling used oil filters and antifreeze and a container for absorbent disposal. Check with the site attendant for the proper disposal and associated fees.

Recycle plastic bags, film & wrap at participating locations such as grocery, retail & hardware stores. Oconto Co. MRF & drop off centers do not accept plastic bags, film or wrap. Loose plastic bags, film & wrap, rope, hoses & clothes clogs up processing machinery causing unnecessary expenses at recycling facilities and at local landfill sites.

2020 CITY OF OCONTO FALLS CURBSIDE SINGLE STREAM RECYCLING GUIDE

SINGLE STREAM RECYCLING IS HAPPENING CURBSIDE IN THE CITY OF OCONTO FALLS!!

This means you can toss all recyclables in one bin and it will be collected at the curb.

- ☺ Paper, cardboard, plastic bottles & plastic containers, metal & glass containers can all be recycled together in your curbside bin.

- ☺ Used oil, e-waste, scrap metal, used tires, etc must remain separated from the single stream recyclables and disposed of properly at the city drop off center.

- ☺ Plastic bags, wrap, film can also be recycled; just not in your single stream containers. See other side for proper recycling of these items and why bags, ropes, etc are detrimental to single stream recycling. Recycle Right to keep processing costs down.

If you are in doubt, toss it out!! Do not "wish" recycle an item if you are unsure if it can be recycled. Many consumer products may appear to be of value for recycling and you may wish it could be recycled and then toss the item in the single stream recycling bin without thinking. Not all products are easily recyclable and these items can increase the processing cost to recycle. Keep the recycling stream clean. For questions on proper recycling please contact the Oconto County Solid Waste Dept. at 920-834-6827.

- ☹ **Do not toss in recycling bin:** Plastic Bags, Wrap or Film, Motor Oil Bottles or Jugs, Styrofoam, Pet food bags, Tissue Paper, Aluminum Pans or Foil, Empty Paint Cans, Window Glass, Ceramics, China or Drinking Glasses, Garbage or Trash.

DO NOT TOSS THESE ITEMS IN YOUR CURBSIDE RECYCLING BIN!!
