OPPORTUNITY FOR CITIZENS TO ADDRESS THE COUNCIL - Citizens in-put will be limited to 3 minutes.

Pat Carney checked with Great American Disposal (GAD), who is currently contracted with the city for curbside garbage pickup, to see if they offered garbage containers on wheels rather than using the city garbage bags. She informed that GAD told her they would prefer container curbside pickup as it is easier for them. Pat would like to know if the city would entertain changing over to this type of curbside pickup and do away with the bags. Mayor and Administrator informed when the city initially signed on with GAD, they did check into this option and found it to be a significantly higher cost as the containers were a separate cost. McDermid stated that we could recheck into the cost for this option and discuss it at the Finance Committee when preparing the 2017 budget.
