DISCUSSION AND POSSIBLE ACTION ON ANY OR ALL OF THE FOLLOWING:

A. Cherry Street.

On June 12, 2018, council approved the county's quote in the amount of \$62,572.50 to pulverize, prep, and pave Cherry Street from Highland Drive to Quincy Street. The county has started the project and pulverizing has been done. It was mentioned that we should reconsider an extension on Cherry Street to just South of Franklin Street. Quotes were sought out from the county and presented to extend the project. Curb and gutter was not included in the county's quotes, therefore additional funds will be needed for this.

MOTION: McDermid / Rusch

Motion to accept the county's quote in the amount of \$32,679.50 to extend the previously approved Cherry Street paving project up to just South of Franklin Street; and approve an additional \$26,000 on curb & gutter for the entire Cherry Street project.

Roll Call Vote: McDermid-yes, Rusch-yes, Kostreva-yes, Wirtz-yes, Coopman-yes, Holman-absent - **MOTION CARRIED**

B. Adjournment.

Mayor Rice asked if there was any further business before the meeting is adjourned. Having no further business, he declared the meeting adjourned at 11:16 am.
