The City of Oconto Falls maintains a Curbside pickup route for single stream recyclables. City residents can also take these recyclables to the City drop off center as single stream recyclables in the recycling roll off containers.

To save on recycling costs to your municipality, please take recyclables to your municipal drop-off center where you reside. Non-residents may be subject to additional charges to dispose of recyclables or not accepted at the drop off center.

The following municipalities manage the recycling for their citizens separately and are not affiliated with the Oconto County Recycling Program: Breed, Brazeau, Chase, Gillett (City & Town), Lakewood, Little River, Mountain, City of Oconto, Pensaukee, Spruce, Townsend, and Underhill.

Businesses are to provide for recycling through their contracted waste hauler. The municipal drop off centers are provided for the residential waste stream.

Recycle clean, dry plastic bags and film packaging

Look for this label on film products like these:

- Freezer Bags
- Food Storage Bags
- Garbage Bags
- Trash Bags
- Plastic Paper Bags
- Plastic Mail Envelopes

plasticrecycling.org

Recycle plastic bags, film & wrap at participating locations such as grocery, retail & hardware stores. Oconto Co. MRF & drop off centers do not accept plastic bags, film or wrap. Loose plastics, rope, hoses & clothing clogs up processing equipment causing unnecessary expenses at recycling facilities.

Don't rely on the Recycling Number on Plastics—What does each number mean on a plastic container? Do we recycle only #1 and #2 plastics? The numbers called "resin identification codes" only identify the type of plastic resin the product was made from. The numbers don't necessarily mean that the plastic is recyclable. The resin code simply allows recycling plants to classify plastics to help know how to process the materials. The good news is that there is already a change in product labeling to make recycling more user-friendly. **How2Recycle** labeling has been developed to better explain if an item can or cannot be recycled, when to check with your local recycler and when to take the item to a retail store drop-off location and how to prep the item for recycling.

Accepted at most drop-off centers: Used Tires, Electronics, Fluorescent & other bulbs (consult with attendant)
Certain items may be directed to the Oconto Co Multi Resource Facility (MRF) Location: 153 Evergreen Rd, Oconto, WI (located in the Oconto Industrial Park) Hours are by appointment only contact Oconto Co Solid Waste Department at 920-834-6827

Electronics (TV's, PC's, Printers, Fax machines, DVD, VCR)

Properly recycle electronics to protect citizens and the environment. Businesses, agencies and institutions are not included in the household recycling program and are to manage their own waste.

Electronics Disposal Cost (subject to change)

Flat Screen TV's (LED, LCD, etc)	\$25
CRT TV's	\$30
Console type or Projection TV's	\$40
PC monitors	\$20
Misc. Electronics	\$4
(Microwaves, Printers, DVD Players, VCR's, Fax Machines, Telephones, Cameras, Etc.)	No Charge
Laptops, Hard drives	\$30
Smoke Detectors	\$30
Electronic items with cords cut off or missing components.	Double Fee\$5

Fluorescent Bulbs/CFL's/LED's, etc.

(Prices subject to change)
(Package carefully to prevent breakage)

LED bulbs (all sizes)	\$3.50
Fluorescent/Tubular Bulbs	\$0.75
Compacts (CFL's):	\$0.75
Shatterproof/Shielded Lamps: (plastic coated)	\$2.50
UV/Ultraviolet Bulbs	\$4.00
High Intensity Discharge: (mercury vapor, metal halide, high pressure sodium)	\$1.50
Ballasts (Non-PCB only)	\$1.00/pound

(must be removed from fixture)

Alternative locations to recycle bulbs can be found on the **Earth911** website: www.earth911.org

Tire Recycling (prices subject to change)

All vehicle tires are accepted for disposal. Disposal cost is based on type of tire noted below:

Vehicle (passenger & light truck) & garden tires

-Passenger Tires	\$4.00
-SUV & Light Truck Tires	\$6.00
-Garden/Mower/ Kart Tires	\$2.00
-Tire with rim	Double fee

Semi & Large truck tires

- Semi or Large Truck	\$22.00
- Super Single/duplex	\$27.00

Agricultural or OTR Tires

- Small: 0-75 lbs	\$28.00
- Medium: 76-150 lbs	\$38.00
- Large: 151-225 lbs	\$50.00
- X-Large: 225-300 lbs	\$60.00
- Heavy Ply Tire with rim	Add \$40.00
- Tires over 300 lbs charge is by weight only (consult with site attendant as cost varies)	

Purchase a Compost Bin for \$35 and create your own garden compost. Composting is the natural decomposition of organic matter. Over one half of your household garbage is organic!

Mercury Thermostats are accepted free of charge at the Oconto County MRF. Broken thermostats are not accepted. Only wall mount thermostats with glass tube mercury switches are accepted. **Please recycle the entire thermostat.** For information on handling spills and cleanup search the EPA website www.epa.gov/hq/

How2Recycle labeling helps take the guess work out of how to recycle!!
