2024 CITY OF OCONTO FALLS CURBSIDE SINGLE STREAM RECYCLING GUIDE

THE CITY OF OCONTO FALLS SINGLE STREAM RECYCLING PROVIDES FOR THE PROPER RECYCLING OF YOUR HOUSEHOLD RECYCLABLES. REVIEW THE FOLLOWING GUIDE TO DETERMINE THE BEST DISPOSAL FOR YOUR HOUSEHOLD WASTE ITEMS.

☺ Paper, cardboard, plastic bottles & plastic containers, metal & glass containers can all be recycled together in your curbside recycling bin.

☺ Used oil, e-waste/TV's, scrap metals, used tires, etc must remain separated from the single stream recyclables and disposed of properly at the city drop off center.

☺ Plastic bags, wrap, film can also be recycled; just not in your single stream containers. See information for proper recycling of these items and why bags, ropes, holiday lights, etc are detrimental to single stream recycling. Recycle Right to keep processing costs down.

If you are in doubt, toss it out!! Do not "wish" recycle an item if you are unsure if it can be recycled. Many consumer products may appear to be of value for recycling and you may wish it could be recycled and then toss the item in the single stream recycling bin without thinking. Not all products are easily recyclable and these items can increase the processing cost to recycle. Keep the recycling stream clean. For questions on proper recycling please contact the Oconto County Solid Waste Dept. at 920-834-6827.

⚠ Do not toss in recycling bin: Plastic Bags, Wrap or Film, Motor Oil Bottles or Jugs, Styrofoam, Pet food bags, Tissue or Shredded Paper, Aluminum Pans or Foil, Empty Paint Cans, Window Glass, Ceramics, China or Drinking Glasses, Rechargeable Batteries, Garbage or Trash.

DO NOT TOSS THESE ITEMS IN YOUR CURBSIDE RECYCLING BIN!!
